## PERCUSSION

### “TRY-IT” SESSIONS—

## Drumline & Front Ensemble

Are you considering joining the 2024 Marching Crusaders Percussion Section? Join us for a series of “Try-It” sessions. Prospective percussionists will have an opportunity to try the various instruments of the drumline and the front ensemble.

At the try-it sessions students will get an opportunity to play on each of the drumline instruments, as well as the frontline’s keyboard instruments. Please bring with you a pair of drum sticks for drum pad playing. Sticks and mallets will be provided for trying instruments.

Auditions/Placements for the 2024 Marching Crusaders season will take place at or following Registration night.
