

LCN Winterguard 2023-2024

Practice Location:

Joseph M Carkenord Elementary School
27100 24 Mile Road

Practice Schedule:

Monday & Wednesday 6 p.m. – 9 p.m.

What is Winterguard?

It's Cologuard but without the band! We will be spinning flags, rifles and dancing in a gym to music. This season we will start off by learning flag and dance basics. Once we have a good idea of that, we can begin to learn our show. There will be 3 competitions and hopefully state finals. There will be some Saturday camps as well.

Attire:

Come to practice in stretchy clothes you can move around in. Nothing that's going to get tangled around your flag or yourself. Have your hair up and out of your face. We suggest just wearing socks during practice, but dance or tennis shoes are fine.

Practice Expectations:

Come to practice on time and be ready to learn. If you know you are going to be late or absent, make sure to text an instructor and a guard leader. Be respectful to everyone around you. If an instructor is addressing everyone, stop spinning and listen up so no information is missed. Come with a positive attitude because we can learn and have a fun time!
