L'ANSE CREUSE HIGH SCHOOL NORTH BAND BOOSTERS

The LCN Band Boosters are a parent 503c group organized to support the LCN Instrumental Music Program and its students. The boosters raise funds to help with financials the district is unable to cover, and to assist the program director in the organization and running of activities. Any parent with a student in any LCN Band is considered a band booster. It absolutely requires a village to run a full instrumental music program. We hope you will consider supporting our students by volunteering your time and making donations!

VOLUNTEERS

Instrumental music, and marching band in particular, requires a significant amount of help from the community. There are many ways parents and family members can help throughout the school year. At the new marcher orientation, the current band booster executive board will explain some of the many ways you can help (and recruit you, as well). Please keep an eye out for the volunteer surveys posted by the booster in their weekly updates and on the L'Anse Creuse High School North Bands Facebook page.

DONATIONS

From time to time, the booster will ask our community to help out with events by donating goods. Examples of the events includes Band Camp, MSBOA Marching Band Festival, and both the Winter and Spring Craft Shows. Requests for donations will be publicized on the Facebook page, in the BAND App, and in Schoology.

MEETINGS

The LCN Bands Boosters meet with all it's members several times per year. At these meetings, the boosters, along with the program's director, discuss upcoming events and volunteer opportunities.

AWAY CAMP

August 11th through 16th is the Marching Crusaders away camp at Echo Grove in Leonard, MI. Some details regarding away camp will be covered at the new marcher orientation on May 20th. Final details will be sent home regarding packing and donations prior to camp.

Chaperones – Several adults are needed to assist with student monitoring and many other camp activities. Chaperones stay at camp with the students. If you are interested, please reach out to the booster eboard as soon as possible. Especially all our dads & nurses out there!

FUNDRAISERS

The band boosters organize several fundraisers throughout the year to help financially support the LCN Instrumental Music Program. The four biggest fundraisers of the year are the winter and spring craft shows, the fall hosting the Fall MSBOA Marching Band Festival, and the Vertical Raise in late August and early September. For these events, many parent and student volunteers and donations will be needed to assist with their smooth operation.

In addition, there are many smaller fundraisers throughout the school year, including 2 bottle and can drives, 50/50 ticket sales at home footballs games, and several restaurant fundraisers.

COMMUNICATIONS

To keep up to date on all booster activities, consider the following sources of communications:

- Weekly-Ish Newsletter – Emailed newsletter with upcoming events. Requests to participate should be sent to lcbandboosters@gmail.com
- BAND App – Communication app that makes it easy to keep up on happenings and request information from booster executive board members. A new group will be created after the marching season to merge marching and non-marching student families.
- L'Anse Creuse High School North Bands Facebook page – primarily run by boosters
- Our bands website – www.lcnbands.com

FREQUENTLY ASKED QUESTIONS

- **What bands are available at LCN?** We currently have 3 concert bands at LCN. Two ability-based ensembles for 10th through 12th graders, and a 9th grade band split into two classes. In addition, there is a 7th hour jazz ensemble held between 2:30pm & 4:30pm three days per week. Students participating in the jazz ensemble can receive credit and a grade for their participation
- **Can I do sports and band/marching band?** Participation in concert bands rarely conflicts with after school activities. With proper planning and communication between student/parent/coach/director, accommodations can be made to handle conflicts between performances and games.
- **Where can I get a sports physical?** Sports physicals are available through your primary care doctor.
- **Do I have to do band to participate in marching band?** All wind (brass or woodwind) and percussion members of the marching band must also be a member in good standing of a concert band at either LCN or IAM. Colorguard members do not need to be in a band class to join the Marching Crusaders.
- **Do I have to do marching band to participate in band?** No. Concert band students are not required to join the Marching Crusaders (although we highly recommend you at least give it a try!).
- **Why does marching band cost so much?** A lot goes into completing a successful season for the Marching Crusaders. A majority of the marching band fee goes toward Away Camp at Echo Grove and the specialized staff required to assist the students throughout the marching and concert seasons. In addition, the marching fees help cover other costs of the marching season including, but not limited to, instrument maintenance above what the district is able to cover, show production (set pieces, music, drill), transportation of students and equipment to and from competitions, and food for the ensembles. In the end, the marching fees cover much, but not all the annual costs. To bridge the gaps, the Band Boosters raise funds via several different fundraisers.
- **I used a school instrument in middle school. Will I use the same instrument in high school?** L'Anse Creuse HS North will supply school owned instruments to students in need at Mini-Camp. These instruments will require a parent/student signed contract. Students requiring a school instrument should let the instrumental music Paraprofessional know at the Registration/Orientation meeting to ensure the instrument is ready for you at Mini-Camp. Please note, there is a limited number of common instruments (flute, clarinet, alto saxophone, trumpet, trombone) available.
- **Are all marching band rehearsals and performances required?** Yes, with one notable exception. We do understand some families have already made summer vacation plans. Some allowances can be made in these cases. However, ALL students must attend the entire away camp August 11th through August 16th. If you have a pre-planned event, please be sure to complete the Band Event/Performance Absence form as soon as possible. The form can be found on the Marching Band page of the website.
- **Why do some events on the calendar have call times while others do not?** Some performance time will not be determined until the fall. Scholastic Invitationals and the MSBOA Marching Festival performance times typically do not get released until a couple weeks before the event. In addition, the MSBOA Marching Festival date, which traditionally takes place at LCN, may not be released until early September.
- **What will I need to bring with me to every rehearsal?** On the Marching Band page of the website titled "Student Rehearsal Needs List". New marchers will go over this list during their Registration/Orientation Night meeting.
