**Please note that from August through mid-October the Marching Band class meets in the evenings.

Please refer to the **Marching Band Class Schedule** for exact dates and times.

PLEASE NOTE: We realize an incomplete calendar can make future planning difficult. Unfortunately, due to the late release of the district and JAPAC calendars, as well as the building power outage prior to school starting, we were unable to complete our calendar prior to printing. As soon as a complete calendar is finalized, we will be sure to send it out via email and post it on the band website.
