World Language	World Language

11th Grade

Semester 1	Semester 2
Band	Band
English 1	English 11
Science	Science
Math	Math
Elective	Elective
Elective	Elective

12th Grade

Semester 1	Semester 2
Band	Band
English 12	English 12
Math	Math
Social Studies	Social Studies
Elective	Elective
Elective	Elective

Graduation requirements

22 total credits including:

4 credits English

4 credits Math (Algebra1, Geometry, Algebra2, and one additional math or math related)

3 credits Science (Biology and either Chemistry, Physics, Anatomy, or Horticulture, and one additional science)

3 credits Social Studies (US History, Economics, Government, World History)

2 credits World Language (same language – ***A SECOND FINE ARTS CREDIT can replace one of these credits***)

1 credit Fine, performing, or vocational art

0.5 credits Gym (or 4 years of marching band)/0.5 credits Health

And:

40 hours of community service, and reflection paper

Please note: If you passed Algebra or Spanish in Middle School – those will count toward your total!

******There are trade-outs that can potentially be made in every category except English******

What you CAN do, and what you want to do AFTER high school need to match though

See your counselor to determine how to make the best plan, and get the classes you truly want!
